

## Sons & Daughters

Words and Music by Michael Delgado

**Key: B**

**Intro: E, G#m, F**

**Verse 1:**

**E**  
When I was searching  
                  **B**  
Lord you did the same  
                  **E**  
I took my inheritance  
                  **B**  
You took my shame  
                  **G#m**                  **B**  
Sure of my ways I went out on my own  
                  **E**  
Your love was patient  
                  **B**  
More than I'd ever know

**Pre-Chorus:**

**C#m**          **G#m**          **E**  
I wasted my time on cheap thrills  
                  **C#m**  **G#m**  **E**  
And I brought ruin to all I had built

**Chorus:**

**B**  
But you stood at the door  
                  **C#m**  **E**  
And waited for me  
                  **B**  
With Arms wide open  
  
          **C#m**          **E**

You know this name and my face

**B C#m E**

Deep down I always knew that you were for me

**B C#m E**

Deep down I always knew that your love could never change

**Verse 2:**

**E B**

When I was spent you were quick to restore

**E B**

When I was naked you gave me your robe

**G#m B**

Sure of my shame I fell down at your feet

**E B**

You took my hand and you gave me a ring

**Pre-Chorus:**

**C#m G#m E**

When I make my bed in depths below

**C#m G#m E**

You dive deeper to bring me back home

**Chorus:**

**B**

'Cause you stood at the door

**C#m E**

And waited for me

**B**

With Arms wide open

**G#m E**

You know this name and my face

**B G#m E**

Deep down I always knew that you were for me

**B G#m E**

Deep down I always knew that your love could never change

**Bridge:**

**B C#m E**

We are the sons and the daughters of Christ

**G#m**            **F**            **E**  
Nothing can take that away

**B**                    **C#m**  
How deep the father's love

**E**  
That poured out over us

**G#m**  
Hallelujah

**F**                                    **E**  
You've made this wretch your treasure

**Chorus**
